

When: Sunday 26th April

Drop Off Items: 10am – 11am

Browse / Swap Items: 11.30am – 12.30pm

Where: Kirton Lindsey Town Hall, DN21 4LZ

Parking: Market place outside, nearby street parking and library can be used next to the green too.

Entry: Free Entry with **refreshments** available to purchase from 10am to support in the running costs. Donations also welcomed. There will also be a **raffle** on the day too – **prize donations** welcomed.

Coming Along?

Sign up for a Membership Number at our website below. (You can sign up on the day too if you don't get chance).

What can I swap? At this event, you can swap:

- All types of clothing – men, women and children. If you have men's and boy's clothing, these were at a shortage at the last event.
- Accessories – handbags, scarves, belts etc.
- Shoes – men, women and children.

There is a limit of **20 items** per member to swap. Please ensure all items are to a good quality – as you would like to receive them yourself.

What is it all about?

The idea of a clothes (and other items) swap is to support the circular economy and the environment in the little ways we can whilst also being able to renew our wardrobe and other items. As items are swapped, there is no cost either so it's a real win win for our environment and our wallets!

Business Stalls Available

Stalls can be booked for **£5 a stall** which helps in the running costs of the day. Stalls must fit in with the ethos and be one or more of the following: environmentally friendly, low cost specific or a charity.
